

Scottish Ice Skating Committee

Member Role Description

Members of the **Scottish Ice Skating Committee** play a vital role in developing and promoting ice skating across Scotland. This voluntary position supports grassroots participation, event development, partnership building, and the wider visibility of the sport in line with **British Ice Skating (BIS)** strategy and values.

Key Responsibilities

- Attend a minimum of **four online committee meetings per year**.
- Actively prepare for and participate in discussions and decisions.
- Promote ice skating and uphold **BIS values**, including **inclusivity, sustainability, and good governance**.
- Support the planning and delivery of **Scottish events and initiatives**.
- Work collaboratively with other Committee Members, **BIS staff**, and partners.
- Ensure compliance with **safeguarding, equality, diversity, and inclusion policies**.

Targeted Recruitment

We are particularly keen to hear from individuals who bring **experience as current or retired athletes**, who can offer valuable insight into athlete development and the needs of skaters. We also welcome applicants with **marketing or communications expertise**, who can help raise the profile of ice skating in Scotland and support engagement across traditional and digital channels.

Person Specification

- Passionate about the growth of ice skating in Scotland.
- Able to contribute skills, experience, or local knowledge.
- Committed to teamwork and positive advocacy.

This is a **voluntary role**. Reasonable expenses may be reimbursed in line with **BIS policy**.
